Follow these instructions carefully to receive your affiliate link, and to get access and set-up instructions for your custom funded proposal/lead generation system.

2. Log-in to your back office at www.mycompanyadmin.com
3. Once you get logged in, click on "Getting Started" (see the image below)
4. Find your sponsor's name and email address at the top of this page (see the image below)

Below this is a yellow box with the text "Your Sponsor with the Power Lead System is:" followed by a redacted name. At the bottom, a green box says "Step 4 Add Your Picture Completed". 6. Please allow 24 hours (usually much less) for your sponsor to get back to you with your set-up link and instructions after you e-mail him/her (keep in mind ... we have team members from all over the world so please consider time zone differences and be patient in awaiting your sponsor's reply)

7. In the meantime, you may wish to view some of these additional PLS Videos from Tyson

9. You may complete the Getting Started steps if you wish, but it is recommended that you hold off on setting up a domain until after your sponsor has gotten back to you with specific set-up instructions for our team.

The screenshot shows a 'Complete the Quick Start Guide' section with four steps, each marked as 'Completed'. The steps are:

- Step 1: Become an Affiliate (Completed)
- Step 2: Your Own Domain (Completed)
- Step 3: Companies You Promote (Completed)
- Step 4: Add Your Picture (Completed)

Annotations include:

- A red box with the text 'You can complete these steps if you wish' pointing to the first three steps.
- A red box with the text 'But, hold off on step 2 until you get specific set-up instructions from your sponsor' pointing to Step 2.
- Red arrows pointing from the first box to Step 1 and from the second box to Step 2.
- Buttons for 'Play Video' are visible next to Step 2 and Step 4.

10. If you have not heard from your sponsor within 24 hours, you may then contact Tyson Zahner via skype (username: tzahner) or via email: tyson@marketing-boot-camp.com for additional support.

It's great to have you on the team. Thanks for putting your trust in us
